1. The last day of receiving the tenders is 16th August 1954 by 3 P.M. and the tenders should be submitted in duplicate.

2. The tenders should be accompanied by a Treasury Chellan for having paid Rs. 200 towards earnest money for the tender which should be superscribed as "Tender for running a Restaurant in the compound of the District Office, Bangalore," the amount should be credited to "P. Deposits—Advances of Revenue Deposits" in the Treasury Accounts, without which the tenders will not be considered.

3. The monthly rate offered should be expressed in words as well as in figures distinctly and any corrections therein should be attested by full signature of the tenderer.

4. The name of successful tenderer will be notified on the notice board of the office on publication of which the unsuccessful tenderers may get back their earnest money.

5. Within three days from the notification of the successful tenderer's name, he should deposit six months' rent in advance and also execute a Lease Deed on a ten anna stamp paper, binding himself to abide by the conditions of the contract, failing which, the earnest money will be forfeited to Government and the Canteen disposed off on fresh tenders at his risk.

6. The lessee should pay the monthly rent on the 5th of every month failing which a fine of Rs. 5 will be levied for every week's delay or fraction thereof.

No delay in payment of rent will be countenanced and if the rent is not paid in any month, the contract will forthwith be cancelled and the earnest money and the advance of rent will be forfeited to Government.

7. The contractor should also give an undertaking to the effect that in the event of default, the arrears may be recovered from him as arrears of Land Revenue under Section 192 of Land Revenue Code.

8. The final acceptance of the tender will rest with the Government in the Public Works Department and their orders are final and legally binding.

9. The right of running the Canteen shall be for a period of two years from the date of occupation. This right shall not be transferred or sublet to any other person

10. No alterations shall be effected in the building without the written permission of the undersigned or other officers authorised by him. The lessee shall be responsible for all the electric and other fittings in the buildings and the club and surroundings will be kept clean by him.

11. He will provide his own stock of decent furniture and pay for light, water, sanitary cess bills and also the municipal taxes of the premises.

12. The building shall not be used for dwelling purposes. Electric cooking ranges shall be arranged for by the tenderer. Needful provisions will, however, be made to draw the Electric Power to Kitchen.

He should put up the necessary platforms and lead the smoke to the chimney.

13. The proprietor shall employ properly clothed and trained attendants and should be bound to supply clean and wholesome preparations. The equipment of furniture shall be on the lines approved by Government.

14. It is entirely the responsibility of the Proprietor to get the required License and Ration Cards for serving the Canteen and this office will not interfere in the matter.

15. In the event of the tenderer failing to execute the required lease deed, the above conditions are to be held legally binding and enforceable in a court of law even in the absence of a regular lease deed.

16. The successful tenderer should deposit six months' rent as a further deposit in addition to the earnest money as a guarantee for the fulfilment of the contract, at the time of executing the Lease Deed.

The name of successful contractor will be intimated immediately on receipt of communication from the Chief Electrical Engineer.

The successful contractor should make his own arrangements to convey materials such as sand, cement and jelly to the workspot. Materials such as cement and sand will be made available either at the Generating Station or at the place that may be fixed by the departmental officers during execution of work.

Water supply arrangements will be made by the Department and watering masonry or concrete will be done by the departmental agency.

Adequate arrangements for the proper scaffolding in the steep slope on the lines of instructions of the supervising officers should be made by the contractor at his own cost. No scaffolding materials will be supplied by the department. The scaffolding will have to be dismantled and the site cleared when the work is completed.

Damages caused to the pipe line or to any other properties of Government during the time of conveyance of materials, construction of masonry, etc., will have to be made good by the contractor.

Quantities of each item of work are only approximate and subject to alteration during execution. The rates quoted by the contractor will hold good for any quantity besides changes of specifications due to exigencies will not under any circumstances entitle the contractor to claim rate higher than those already tendered and accepted. In the case of non-tendered items, the contractor will be paid at the current schedule of rates or at the rate fixed on the basis of data and approved by the competent authority.

No claim shall be established for the delay caused by the department due to unforeseen causes during execution of work. However, the extension of contract period will be considered on the merits of each case.

No conditional clause while tendering the rates will be accepted by the department.

Sales-tax will have to be paid by the contractor as per rules.

Royalty, etc., will be recovered from the work bills of the contractor.

Accidents caused to the labourer on work will entail the contractor to pay necessary compensation as may be fixed by the departmental officers or any other competent court.

Sales-tax clearance certificate will have to be produced along with the tender.

The mode of payment for the work done will be as per the post-audit rules recently sanctioned for the Electrical Department. Details can be had at the office of the undersigned.

1 The contractor shall quote for each individual item of work both in words and figures in the estimates and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payments of sales-tax, royalty or any tax due to Government.

2 The tender will hold good till the acceptance or otherwise by the competent authorities.

3 For lumpsum provision or for non-tendered items, the rates will be paid as per current minimum schedule in the case of scheduled items and rate with 10 (ten) per cent profit for items which do not find place in the schedule.

4 No conditional clauses will be accepted.

5 No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

6 Tenders will not be considered unless they are in the prescribed form, which will be supplied on payment of Re. 0-4-0 at the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur.

7 The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary *mutchalika* within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

8 Each tender should be accompanied by a Treasury Chellan for Rs. 422 as earnest money paid to the Treasury to the credit of 'Revenue Deposits'.

9 The final acceptance of the tender will rest with the competent authority. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur, on all working days during office hours.

10. The Department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

11 The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest Departmental Stores. An additional ten per cent on cost of the materials supplied from the Department will be charged as centage.

12 Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

13 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

14 The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

15 The Department does not undertake the responsibility to supply lorries to the contractor.

16 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

17 The works should not be sublet.

18 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, sand bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

19 The contractor should furnish an income-tax clearance and super-tax certificate along with the tender as per rules.

20 The contractor will, as far as practicable, recruit the personnel required by him through the nearest employment exchange in the region.

21 The contractor should furnish the tender in duplicate copy only.
